

Golf tournament @Dutton Meadows on Wednesday September 14, 2011.

Warm sunny skies greeted 27 enthusiastic golfers at Dutton Meadows. A fantastic display of "talent" and friendship were the mode of the afternoon.

A bountiful steak dinner with all the trimmings rounded out a great day. We welcomed 8 new golfers to the tournament but we missed a number of regulars who had other engagements. We hope to see more next year as participants wanted to continue.

Team winners of the Texas scramble format were Allister and Carolyn Cameron, Jack Empey and Don Lucas who hadn't golfed for over 22 years scoring a 37. B flight winners were Lindsay Sleightholm, Barb Campbell, Alice Plain and John Morrow with a 42. Closest to the pin was won by Mary MacVicar and Ron Daykin. Longest drives to Chery Blackman and Ron Daykin and Ed Montieth. Birthday closest to today was Patricia Empey.

All participants received prizes ending a wonderful day. Thank you to Carolyn Cameron for getting the prizes and to the staff at Dutton Meadows.
